Keys

Y=Yes, N=No
NA=Information Not Available

| Company Name | Unique Features |
|------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| 21st Century Pallets Corp. | Interlockable stacking, lightweight and load securing design |
| Airdex | Extremely lightweight, reduce worker's comp costs/ideal for air freight |
| Alex Pallet Systems | Unique design delivers a strength-to-weight ratio that far exceeds that of many other pallets |
| All Service All Packaging Inc. (ASAP) | Heavy steel and copper loads |
| Allied Plastics, Inc. | Customization |
| American Pallet & Packaging, Co. | Double-decked, light duty export pallets |
| Atlas Material Handling, Inc. | Low combustability |
| Buckhorn Inc. | Large catalog of various pallets and options |
| Cadillac Products, Inc | Dura-Grip® technology increases coefficient of friction tenfold, which greatly eliminates slip problems |
| Cargotainer | Can easily be turned into a container, nesting space saver |
| Corrugated Pallets Inc. | Unique hardboard runner design developed for supporting heavy loads |
| Creative Techniques | Design, engineer, and test to meet customer specifications |
| Decade Products | Environmentally friendly reground products |
| DIC International | Unique, lightweight design |
| Fabri-Form Co. | Custom thermoformed transport packaging |
| Fibertech, Inc. | Repair and recycle plastic pallets and bins, also make storage lockers |
| Georg Utz | Rackable hygiene pallets developed for food and pharmaceutical industries |
| GL Packaging Products | Increasing export pallet market |
| Gorilla Pallets | Many durable, rackable designs |
| Granville Composite Products Corp. | ToughPrest yields powerful plastics reinforced with traditionally unused recycled materials |
| Green.Tek, Inc | Distribute for Israeli company Polyziv |
| Hampel Pallets | SteelSpan is specialized steel wire formed into a single sheet of plastic |
| Handling Innovations LLC | Offers wide variety of pallets, specializes in export pallets |
| International Metal Pallet Co. | Cater especially to closed loop systems |
| Jarke | Metal pallets designed for beverage, pharmaceutical, and grocery industries |
| LITCO | USDA and reground non-USDA versions |
| LM Containers (formerly OTD Corp) | Durability is biggest strength |
| Nelson Company | Light airfreight pallets, low price export pallet |
| New Pig Corp. | Especially designed for containing chemical spills |
| NextLife Recycling | Low price, one piece and nestable designs |
| Novofoam | Extremely lightweight and strong pallet, foam core provides insulation for cold chain |
| Numatech | Custom corrugated plastic fabricators, specializes in sleeve packs |
| One Way Solutions | Price and availability |
| Optilogistics Inc. | Ledge - unique design helps reduce packaging |
| Orbis Corp. | Industry expertise/have many years of experience |
| Packaging Unlimited, LLC. | Rackable corrugated pallet design |
| Pak Rite | Ease of use, nail less product, easy to replace parts |
| Pallet Kraft NA Corp. | Low cost, lightweight, single use pallets |
| Pallet Systems of America | Have patent for grating, can make really long pallets |
| PDQ Plastics | Known for making durable pallets and customer service |
| Plastic Pallet & Container | Plastic lumber - can be made in any size or configuration without tooling or mold charges |
| Port Erie Plastics | Low cost, lightweight, export pallet |
| Pregis | Hexagonal cells engineered for maximum structural strength and cushioning properties |
| PrimePal LP (Diamond Back Pallet) | Racks 2,800 lbs with no steal and is repairable and lightweight |
| Protecta-Pack Systems | Customizable corrugated paper pallets |
| Rehrig Pacific Co. | High pressure injection molded pallet - allows for more advanced designs, uniform thickness |
| Reusable Transport Packaging | Specialized consulting & design, focuses on bulk boxes and sleeve packs |
| Rhino Pallet | Quick turn around and are easily repairable |
| Robinson Industries | Full service manufacturer offering complete project management with no outsourcing |
| RPM Technologies, Inc. | Customer service, varied product line |
| SA-BE Enterprises, Inc. | Lightweight and durable - designed for reusable applications |
| SCA Packaging NA | Fabricator makes customized packaging from a wide variety of materials |
| Schoeller Arca Systems Inc. | Engineering design of pallets -- most are one piece molds/computer designed |
| Shuert Industries | Custom house will make design to suit individual need |
| Solplast Inc. | Economical pallet, good quality for money |
| Specialty Pallets LLC | Lightweight & clean, customers can use rails bundled to unit as load platform |
| St. Mary's Box Co. | Low cost export and pallet crating system |
| Stratis Plastic Pallets | Very durable, don't put nitrogen gas in it, which makes it stiffer or more durable |
| Streator Dependable Mfg. | All packaging is made to order, offers unique pin design for multiple part assortments |
| Thermodynamics | Rotationally molded pallets |
| TMF Corporation | One piece, very hygenic, can be easily cleaned, FDA approved material |
| TransPac Corp. | Are recycled, will buyback if break, will buyback any dunnage, pallets, slipsheets, etc. |
| U.S. Plastic Pallets & Handling | Specializes only on plastic pallet with supply standing by to ship |
| UltraTech Intl | Innovators - offers spill containment for outdoor uses, are lockable, can meet storm water regs |
| Unipal | Extensive product line/custom design |
| Universal Package Systems | Specialty is fabricating with plastic, metal & foam. Makes unique sleeve pack with locking mechanism |
| Worthington Steelpac | Integrated processor, provide own steel to make pallets. Unique materials that allow for lighter weight pallet |
